**“Our obligation is to give meaning to life and in doing so to overcome the passive, indifferent life.” – Elie Wiesel**

In a one page (front and back) handwritten essay, explain what Wiesel means by this quote and explain how you can apply the quote to your life personally. Use specific examples to support your point. Make sure you elaborate on each point of the essay. The essay must have a pre-write (thesis and supporting examples) in order to get credit. Essay will be assessed for Clarity, Accuracy, Relevance, Precision, Depth, and Structure.
